The vision of the Placer County Fire Safe Alliance is to have informed, educated, and fire defensible communities that will enhance life, property, and natural resource protection through a collaborative approach in a fire prone environment.

Placer County Fire Safe Alliance Mission

Our mission is to minimize catastrophic wildfire losses to values at risk such as life, property, and natural resources, in the following ways:

1. To inform and educate the public on fire safe communities, fire risk and fire hazard mitigation.
2. To aid, assist, and participate in fire mitigation planning efforts.
3. To prioritize and secure funding for coordinated fire safe projects and activities.
4. To monitor and review fire safe activities to ensure alliance goals are met.

Placer County Fire Safe Alliance Executive Board

Our purpose is to provide leadership, expertise, guidance, oversight, and prioritization in order to be competitive for grant funding to ensure the Placer County Fire Safe Alliance vision and mission statements are met.
